

## What is Single Stream Recycling?

- All recyclable materials conveniently together in one container.
- Cardboard may be broken down if needed to fit in recycle container.
- Do not force materials into recycling container. It may not empty completely.
- Please be sure all containers are emptied of food and liquid prior to recycling.

## New in your Blue!

The following items have been added to our Single-Stream Recycling Program:

- Large Rigid Plastics such as, five gallon buckets, laundry baskets, crates, plastic toys and outdoor play equipment. Please cut or disassemble to ensure these items fit loosely in your recycling container.

## Prohibited Materials

- Compostable Plastics • Wood
- Liquid waste • Garbage • Plastic Bags
- Food Contaminated Paper
- Window Glass or Lightbulbs
- Ceramic or Stemware
- Motor Oil or Filters
- Household Batteries
- Automotive Batteries
- Paints and thinners • Solvents
- Pesticides and herbicides

## Household Hazardous Waste Disposal:
